CorporateSelect: The Choice is Yours!

CorporateSelect is a flexible purchase option that enables small corporate customers to obtain access to individual journal articles and proceedings from the ASME Digital Collection.

Select Content

The ASME Digital Collection provides unparalleled depth, breadth, and quality of peer-reviewed content in mechanical engineering and related disciplines.

ASME's Journals and Archives

- From 1933 to present (select titles)
- Over 100,000 articles

ASME's Conference Proceedings and Archive

- Current - 2008 to present
- Archive - 2007 and prior

Select Your Bundle

Articles and proceedings are available in a variety of bundles to match your specific needs. CorporateSelect token packages are available in 100, 200 and 500 increments. Increasing volume discounts are linked to the number of items selected. Minimum purchase of 100 articles/proceedings.

Eligibility requirements:

- Single site only
- Maximum number of researchers: 50
- Access to users from a single domain

Content

For complete lists of titles go to:

- asmedigitalcollection.asme.org/journals.aspx
- proceedings.asmedigitalcollection.asme.org/conferenceproceedings.aspx

Benefits for YOU

- Instant access to a rich and relevant library of full-text content to which your corporation does not currently subscribe
- Considerable cost savings on a per article basis
- Unlimited concurrent user access for 24 hours
- Monthly reports to monitor article usage
